Dear Mr Willday

Ofsted survey inspection programme – 14-19 reforms

Thank you for your hospitality and co-operation, and that of your staff and students during my visit on Wednesday 26 September 2007 as part of our survey on 14-19 developments in the local area.

The visit provided valuable information which will contribute to our national evaluation and reporting. Published reports are likely to list the names of the contributing institutions, but individual institutions will not be identified in the main text.

The school demonstrates its commitment to the development of the 14-19 curriculum in the following ways:

- Pupils at the school make very good progress to achieve individual goals set out in their individual learning plans. Intensive support ensures high levels of course completion.
- All pupils move on into further education or training.
- Advice, guidance and support are good and have a very positive impact on the motivation, personal development and achievement of the pupils.
- Very good use is made of a variety of accredited and certificated courses to ensure all pupils gain meaningful qualifications. The range of qualifications and accreditation is being developed systematically and imaginatively.
- The school works very well with other local providers and places any pupil who will benefit on courses in other schools and at colleges as the need arises.

If there are any points or aspects of the visit you wish to discuss, please get in touch. As we will be evaluating the survey, you may be contacted in the future to find out your views. I hope you will contribute to this evaluation. Thank you once again.

Yours sincerely

Clive Moss
