Dear Mr Parry-Williams

Ofsted survey inspection programme – 14-19 reforms

Thank you for your hospitality and co-operation, and that of your staff and pupils, during my visit on Tuesday 27 November as part of our survey on 14-19 developments in the local area.

The visit provided valuable information which will contribute to our national evaluation and reporting. This report, which will be produced in the summer of 2008, will highlight good practice and identify improvements to be made. Published reports are likely to list the names of the contributing institutions, but individual institutions will not be identified in the main text.

The school demonstrates its commitment to the development of the 14-19 curriculum in the following ways:

- Overall, it has outstanding partnership links with other schools because of the leading role its staff take within the West Wiltshire Partnership.
- The curriculum is wide and flexible. It meets the needs and aspirations of its pupils successfully.

If there are any points or aspects of the visit you wish to discuss, please get in touch. As we will be evaluating the survey, you may be contacted in the future to find out your views. I hope you will contribute to this evaluation. Thank you once again.

Yours sincerely

Michael Miller
Additional Inspector
