Dear Ms Dale

Ofsted survey inspection programme – 14-19 reforms

Thank you for the hospitality and the co-operation of your staff and students during my visit on 27 and 28 November as part of our survey on 14-19 developments in the local area.

The visit provided valuable information which will contribute to our national evaluation and reporting. This report, which will be produced in the summer of 2008, will highlight good practice and identify improvements to be made. Published reports are likely to list the names of the contributing institutions, but individual institutions will not be identified in the main text.

Wiltshire College is a very inclusive college and has developed its curriculum appropriately to meet the needs and interests of young people in the local area. The increased flexibility project is very successful. The links with local schools are very productive and continually being developed.

The commitment, full participation and continued support of the college have contributed greatly to the successful planning and preparation for taking forward the 14-19 reforms in the local area.

If there are any points or aspects of the visit you wish to discuss, please get in touch. As we will be evaluating the survey, you may be contacted in the future to find out your views. I hope you will contribute to this evaluation. Thank you once again.

Yours sincerely

Davinder Dosanjh
Her Majesty's Inspector
