Dear Mr Stanley

Ofsted survey inspection programme – 14-19 reforms

Thank you for your hospitality and co-operation, and that of your staff and students during my visit on the 23 January as part of our survey on 14-19 developments in the local area.

The visit provided valuable information which will contribute to our national evaluation and reporting. Published reports are likely to list the names of the contributing institutions, but individual institutions will not be identified in the main text.

Your students impressed me with their maturity and their high aspirations for the future. They have caught their teachers' enthusiasm for study and spoke warmly about the respect and support they are given. They feel well prepared for the next stage in their education but will remember Queen Elizabeth's with affection when they do move on.

If there are any points or aspects of the visit you wish to discuss, please get in touch. As we will be evaluating the survey, you may be contacted in the future to find out your views. I hope you will contribute to this evaluation. Thank you once again.

Yours sincerely

Brian Dower
Additional Inspector
