Dear Mr Connor

Ofsted survey inspection programme – 14-19 reforms

Thank you for your hospitality and co-operation, and that of the staff and students I met during my visit on the 23 January as part of our survey on 14-19 developments in the local area.

The visit provided valuable information which will contribute to our national evaluation and reporting. Published reports are likely to list the names of the contributing institutions, but individual institutions will not be identified in the main text.

Your students speak highly of their school and stressed their appreciation of the sense of community and mutual support. They particularly value being known and understood by teachers who guided them well when they had to choose their option subjects and are preparing them well for the next stage in their education. The breadth and relevance of the curriculum is giving them the grounding for future success at work.

If there are any points or aspects of the visit you wish to discuss, please get in touch. As we will be evaluating the survey, you may be contacted in the future to find out your views. I hope you will contribute to this evaluation. Thank you once again.

Yours sincerely

Brian Dower  
Additional Inspector
