Dear Mr Brixey

Ofsted survey inspection programme – 14-19 reforms

Thank you for your hospitality and co-operation, and that of your staff and students during my visit on 22 January 2008 as part of our survey on 14-19 developments in the local area.

The visit provided valuable information which will contribute to our national evaluation and reporting. This report, which will be produced in the summer of 2008, will highlight good practice and identify improvements to be made. Published reports are likely to list the names of the contributing institutions, but individual institutions will not be identified in the main text.

The school demonstrates its commitment to the development of the 14-19 curriculum through

- care and guidance which ensure good retention rates into Key Stage 5
- a rich 14-19 curriculum which ensures a very broad range of qualification choices across levels 1-3
- good provision for learners with difficulties and disabilities in their adapted curriculum
- a curriculum which is highly personalised through targeted care, guidance and support
- very strong links across the partnership and with Connexions
- work related learning which promotes learner enterprise
- well developed and managed projects which are laying the foundations for the establishment of a new Creative and Media Diploma

If there are any points or aspects of the visit you wish to discuss, please get in touch. As we will be evaluating the survey, you may be contacted in the future to find out your views. I hope you will contribute to this evaluation. Thank you once again.

Yours sincerely

Carolyn Carnaghan  
Additional Inspector
