Dear Mrs Onyon

Ofsted survey inspection programme – 14-19 reforms

Thank you for your hospitality and co-operation, and that of your staff and students during my visit on 05 February as part of our survey on 14-19 developments in the local area.

The visit provided valuable information which will contribute to our national evaluation and reporting. Published reports are likely to list the names of the contributing institutions, but individual institutions will not be identified in the main text.

Your students impressed me with their maturity. They are appreciative of the support and guidance they receive and are making good progress in their work. Their belief in themselves and their determination to succeed came across strongly. Many commented on the opportunities the school provides for them to gain work place experience and also understanding of possible college courses. They felt that this prepared them well for making decisions about the future.

If there are any points or aspects of the visit you wish to discuss, please get in touch. As we will be evaluating the survey, you may be contacted in the future to find out your views. I hope you will contribute to this evaluation. Thank you once again.

Yours sincerely

Brian Dower
Additional Inspector
