Dear Mr Northcott

Ofsted survey inspection programme – 14-19 reforms

Thank you for your hospitality and co-operation, and that of your staff and students during my visit on 04 March as part of our survey on 14-19 developments in the local area.

The visit provided valuable information which will contribute to our national evaluation and reporting. This report, which will be produced in the summer of 2008, will highlight good practice and identify improvements to be made. Published reports are likely to list the names of the contributing institutions, but individual institutions will not be identified in the main text.

The school supports the development of the 14-19 curriculum through:

- the school's involvement in the local 14-19 reforms and various local groups
- the personalised curriculum
- the wide curriculum offer post 16
- good targeting of vulnerable students, particularly those with Autistic Spectrum Disorders (ASD)
- the excellent personal development of students
- the very comprehensive support and advice about choices and the future available to the students
- involvement in the engineering Diploma.

If there are any points or aspects of the visit you wish to discuss, please get in touch. As we will be evaluating the survey, you may be contacted in the future to find out your views. I hope you will contribute to this evaluation. Thank you once again.

Yours sincerely

Davinder Dosanjh
Additional Inspector
