Dear Ms Dobson

Ofsted survey inspection programme – 14-19 reforms

Thank you for your hospitality and cooperation, and that of your staff and learners during my visit on 04 March 2009 as part of our survey on 14-19 developments in Tower Hamlets.

The visit provided valuable information which will contribute to our national evaluation and reporting. This report, which will be produced in the summer of 2009, will highlight good practice and identify improvements to be made. Published reports are likely to list the names of the contributing institutions, but individual institutions will not be identified in the main text.

The school provides, in collaboration with another provider, the level 1 Diploma in IT. Students enjoy their course and are developing their self-confidence well. Induction onto the Diploma was informative and motivating. Students value the good personal support they receive and the very good involvement of employers.

If there are any points or aspects of the visit you wish to discuss, please get in touch. As we will be evaluating the survey, you may be contacted in the future to find out your views. I hope you will contribute to this evaluation. Thank you once again.

Yours sincerely

Gloria Dolan
Her Majesty's Inspector
