St Mary's RC High School a Specialist Science and
Applied Learning College
Lugwardine
Hereford
Herefordshire
HR1 4DR

Our reference: 116992

Dear Parent

St Mary's RC High School a Specialist Science and Applied Learning
College: Ofsted's interim assessment

I am pleased to provide some important information about St Mary's RC High School
a Specialist Science and Applied Learning College.

As you may know, during its last inspection in, Ofsted inspectors judged your child's
school to be outstanding. Schools which are performing well are now inspected less
often than other schools.

Some outstanding schools are inspected after three years; others may have their
inspections put back. To help decide whether we can wait longer than three years
before undertaking a full inspection of an outstanding school, such as your child's,
Her Majesty's Inspectors look at various sources of information, as listed below. This
is called an 'interim assessment.'

The results of the interim assessment

In carrying out the interim assessment, we considered the following:

- pupils' academic performance
- pupils' attendance
- any visits carried out by Ofsted since the last inspection
- complaints about the school by parents or carers
- any other significant issues brought to Ofsted's attention.

I am pleased to inform you that our interim assessment shows that the school's
performance has been sustained and that we can defer its next full inspection

As a result, the next full inspection will not take place any earlier than 1 September
2011 unless we receive information in the course of the coming year that causes us

to inspect earlier. The timing of subsequent inspection will depend on any changes that the government will introduce in legislation in the autumn.

I wish everyone involved in the school continued success in the coming year.

Yours sincerely

A handwritten signature in black ink that reads "Christine Gilbert". The signature is written in a cursive style and is underlined with a single horizontal stroke.
